

Wincle CE Primary School's Pledge

Whilst you attend our school, you will have the opportunity to...

Visit..

..and explore our local Parish Church of St. Michael's and other places of worship, a cathedral, the local library, an art gallery, an historical place, an outdoor learning environment, a local place of interest, contrasting locations and different sporting venues.

Experience..

..and use modern technology, gain an insight into different cultures and festivals, partake in residential visits and immerse yourself in the arts from around the world through cultural/documentary focused films/media.

Meet...

..children from other schools, members of the local community, people of faith and other influential/inspiring people who can widen your understanding of the World as well develop your appreciation and respect of difference by contributing new and interesting experiences that will prompt group discussion, improve understanding, encourage challenge of assumptions and stereotypes and broaden knowledge.

Develop..

..a love for God's world, an awareness of global issues and the skills to become courageous advocates for the common good, locally and globally. Develop life skills such as how to cook, sew and garden, how to interact socially with others who may be different or have different opinions to you and how to discuss and debate whilst acting with integrity to all.

Contribute..

..to change locally, nationally and globally by becoming active global citizens and supporting charity work, the local community and the environment

Perform..

..to an audience and in a variety of ways, not just in the performing arts but also through poetic recitals, presentations of work and sporting events.

Attend..

..a variety of live performances and sporting events.

Through this, we hope to experience our core values of hope, integrity, respect, perseverance and compassion in the wider world and develop them in ourselves.
