

# Wincle CE Primary Physical Education and Sport Premium 2018-2019

## The purpose of the sports funding premium:

The premium must be used to fund additional and sustainable improvements to the provision of PE and sport, for the benefit of primary-aged pupils, to encourage the development of healthy, active lifestyles.

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer. This means that we should use the premium to:

- develop or add to the PE and sport activities that your school already offers
- make improvements now that will benefit pupils joining the school in future years
